24 The parties in the above-entitled action jointly submit this Joint Application for
25 Continuance of the Case Management Statement and Proposed Order.

27
28

1 The parties have met and conferred and reached agreement on all issues of the
2 Case Management Conference Statement, and have exchanged initial document
3 disclosures. The parties mistakenly assumed that the Case Management Conference
4 would be continued to December 18, the date when the Motion to Dismiss is to be
5 heard.

7 The parties have not completed the text of the Case Management Conference
8 Statement under the mistaken belief that there was additional time to do so and were
9 surprised that the Case Management Conference remains on calendar for December 7.
10 For this reason the parties request a continuance of the Case Management Conference
11 to December 18, or such other time as the Court may set.
12

14 The continuance would permit the parties to address the dismissal of Kenneth
15 Hunt and Isabel Lewright as parties defendant and to require Warrior Industries and
16 Richard Mayfield to appear in the action, or suffer their default.
17

18 The undersigned will be in attendance at the scheduled hearing.
